FLOOR DEBATE

April 17, 2002 LB 1303

violation, I would say, and I was trying to recall how that language got...got in there and asking Counsel if they remembered. And, basically, we had, in this legislation, we've looked at past bills that were introduced and considered by your committee, and this...this particular offense was included in a prior bill which your committee had that I think Senator...

SENATOR CHAMBERS: My committee?

SENATOR BROMM: Your...the one...the one that...

SENATOR CHAMBERS: You mean Senator Brashear's Judiciary Committee?

SENATOR BROMM: ...the one that you...the one that you, as a member, have partial responsibility for.

SENATOR CHAMBERS: Okay.

SENATOR BROMM: And so I don't have any...I don't have any great argument for why it should or should not be listed.

SENATOR CHAMBERS: Let me tell you why I would like to strike it. I have let the date go by...well, actually, I didn't let the date go by. I got these little license stickers and all the kinds of things I needed, but I had been carrying these little stickers in my car. And when I saw a cop nosing around my vehicle, I knew I wasn't illegally parked, so I asked him what the problem...

SENATOR CUDABACK: One minute.

SENATOR CHAMBERS: ...was and he said your license has expired, your plates, which is different from, I guess, the registration, although you get all that at the same time, don't you,...

SENATOR BROMM: That's right.

SENATOR CHAMBERS: ...the license plate? Okay. So I showed him these things and stuck them on there and he let that alone. If that were to be eliminated, it seems to me that the person would
